

ST. LUKE'S PLAYERS

PRESENTS OUR
ANNUAL PANTO!

Treasure Island

Written by
Ben Crocker

Directed by
Heather Lee

A swashbuckling tail of skullduggery upon the high seas and treasure on a desert island! it's the very best of traditional pantomime, and absolutely no opportunity missed to press-gang the audience right into the thick of the seafaring action! This is a madcap, laugh a minute pirate adventure story from start to finish.
