

ST. LUKE'S PLAYERS

COMMUNITY THEATRE SINCE 1948

An experienced house-sitting couple gets more than they bargain for when a Minnesota homeowner intentionally double-books her lakefront domicile. There is an immediate clash between the upper middle-class, socially-skilled couple from New Jersey versus the free-spirited anti-materialist vegans from North Carolina.

The neighbours add a constant barrage of trivial pursuits and candid crankiness, and the uninhabitable master suite is in the midst of being actively remodeled by 3 quirky sisters. There is little rest or relaxation for anyone... except for maybe the cat... if the house sitters could only find the elusive creature..
