

INTRODUCTION

Interested in being part of a show but not on stage? Do you like to be part of a team and have a lot of fun?

Staging a St. Luke's Players' production involves a multi-tasked team, because the behind-the-scenes activities are vital to the show's success.

There are many opportunities to get involved such as: sewing costumes, finding props, building sets, working as stage crew, publicizing the show, lights, sound and more. If you are interested in getting involved, we are eager to have you join us. It is a great way to meet nice people, and work together to bring something good to the community.

Contact us and we'll have someone get in touch with you right away.

Take a look through this St. Luke's Players Production Guide for a description of the volunteer positions.
